

Mr Chill Aircon

Honest aircon servicing across the East

Servicing

General Servicing — 1 Unit	\$60.00
Filters, blower and drainage cleaned, gas pressure and drainage checked.	
General Servicing — 3 Units	\$120.00
The usual HDB set: one condenser, three fan coils.	
General Servicing — 4 Units	\$150.00
Four fan coils and the condenser, for a larger flat.	

Deep clean

Chemical Wash — per Unit	\$90.00
Coil and drain tray stripped and chemically cleaned on site. For weak cooling or a musty smell.	
Chemical Overhaul — per Unit	\$180.00
The fan coil is dismantled and fully overhauled. For units that haven't been touched in years.	

Repairs

Gas Top-Up (R22 / R410a)	\$120.00
Only after a leak test. I'll show you the reading before and after.	
Diagnostic Call-Out	\$40.00
I come, test, and give you a written quote. Waived if you proceed with the repair.
