
Teh Bar SG

Pulled tea kits and loose-leaf blends for home

Loose leaf

Teh Tarik Blend, 250g	\$16.00
------------------------------	----------------

Ceylon dust with a little Assam. Strong enough to stand up to condensed milk.

Teh Halia Blend, 250g	\$18.00
------------------------------	----------------

The same base with dried ginger milled through. Warming, faintly hot.

Masala Chai Blend, 250g	\$19.00
--------------------------------	----------------

Cardamom, clove, cinnamon and black pepper, ground fresh each batch.

Barley & Chrysanthemum, 200g	\$14.00
---	----------------

Caffeine-free, lightly floral. What we drink in the afternoon.

Kits

Teh Tarik Starter Kit	\$48.00
------------------------------	----------------

250g of blend, a stainless pulling jug, a strainer and a card with the method.

Kopi & Teh Sampler	\$32.00
-------------------------------	----------------

Four 100g tins — teh tarik, teh halia, masala chai and barley.

Kit

Stainless Pulling Jug, 700ml	\$26.00
-------------------------------------	----------------

Long-handled and balanced, so you can pull without wearing it.

Condensed Milk, 2 tins	\$9.00
-------------------------------	---------------

The full-fat one we actually use. Creamer will not taste the same.
